New York General Market.
New York, December 8.—Hops—Weak quiet. Coffee—Options opened barely steady, 20 points down, closed 20 a 30 points below yesterday. Sales, 41,500 bags, including December, 15,000; January, 6,000; February, 7,000; March, 7,500; April, 8,500; up to Rio, barely, steady, quiet; fair cargoes, 17 1/2. New York Stock Exchange.
New York, December 8.—The stock market was again feverish with wide and rapid fluctuations, and weak to-day, most of the list showing material losses for the day. While in many cases the lowest prices of the week were reached, among the larger operators, there was a disposition shown to let the market take care of itself, and while some of the commission houses were moderate buyers in the early trading, the demand was soon supplied and traders obtained full control. There was a free liquidation of long account among that element, and as no support was forthcoming, prices yielded readily and the bears came to the front and a decided weakness resulted over the entire list. Government—Dull and steady.

Petroleum.
New York, December 8.—Petroleum opened steady at 88 1/2, but after the first sales became weak, and declined to 87 1/2, a rally then followed in which the loss was recovered and the market closed strong at 88 1/2.

A NEEDED EXPLANATION.
The recent ad. in THE HERALD announcing that the Salt Lake Oil Company was ready for business in their new scheme of delivering Coal Oil and Gasoline free of charge, in quantities of a half gallon and upwards, has so swamped the company with orders that they have found it impossible to canvass the city thoroughly. More wagons have been telegraphed for, and by December 15th it is expected that the city will be covered thoroughly. The furnishing by the company to their patrons of the large cards which are hung out when oil is needed is also a great hit. Until the additional wagons arrive, customers will please overlook any apparent neglect.

Remember—you are not asked to sign any contract. Leave orders at the company's office, 7 E. Second South (at Shiley, Groshell & Co.'s) Telephone 82. JAMES W. Lusk, Manager.

Two thousand yards of similar has Reading, roses, home grown and from California, Dutch hyacinths, tulip and crocus bulbs, lily of the valley pips, Roman hyacinths, and a large assortment of plants.
